products.

The De Facto Standard of Coin Counting

The CS-25 features heavy duty construction and larger
operation capacity - up to 2,000 coins.

Speed and Accuracy

The CS-25 is now 20% faster while still offering high-speed
counting with accuracy and 1-99999 variable batch
available.

Unparalleled Cost Performance

The CS-25 offers both cost savings and exceptional
performance all in one compact unit.

Optional Accessories

4,000 coin extended hopper, external display and RS-232
interface.
